

*he just wasn't there*

*an act of downbeat bravery*

*I don't believe a word of it*

*all the blood drains from Thomas'  
face*

*stop doubting and believe*

*my Lord and my God*

*the problem is not with the evidence  
for Jesus but with the rebellion of  
people's heart*

*Jesus is the risen Lord who  
conquers our fears and our sin*
