

Our Core Purposes: An Intimate Relationship with God

Sunday 8th February 2015

John Low

“God desires an intimate relationship with every person through Christ and this relationship is nurtured through collective and personal worship, prayer, Bible study and meditation”

God desires an intimate relationship with every one of us through Jesus Christ, a relationship that goes to the deepest level of our being and knows no end.

I in them and you in me

*Who really knows what's going on
inside my head?*

*we can know the secret heart of
God as we open our hearts and
listen to his spirit in us*

*those who remain in an intimate
relationship with God inherit
eternal life*

- Take time to be alone with God
- Learn to listen to God's Voice
- Become a worshipper of God
- Share the deep levels of our life with God
- Be obedient to what God tells us
- Live a Holy life

*he longs for us to come to him,
he breaks down the barriers and
amazingly opens himself to us*
