

THE FRONTLINE

A horizontal line of orange glow, resembling a light flare or a thin beam of light, positioned below the text.

- **The frontline call** – Jesus gives us the job of sharing the good news
- **The frontline commission** – We seek to be a blessing even when we want to be somewhere else
- **The frontline community** – We clothe and help equip each

- **The frontline concern** – seeing beyond the obvious needs
- **The frontline cry** – how does our frontline shape our prayer life?
- **The frontline commitment**

What happened on the
frontline changed what
happened in the church

Don't ask - what can you do in
the church?

Ask – how can the church
react to help you on your
frontline?
