

THE SHREWD STEWARD

Money, Money, Money.....

.....It's a rich mans world!

How important is it in God's eyes?

- Is the world more careful with its priorities of worldly wealth than we are with our priorities of the more important issues of love, faith, justice, compassion etc?
- If we can't be trusted with money which is less important then we can't be trusted with the more important gifts from God

- So how trustworthy are we with our money?
 - Are we less than 100% honest with our tax returns/ VAT?
 - Ever accepted something we shouldn't have?
 - Ever paid less than we should?
 - Do we give sacrificially?

- How about a novel way of praying? – over our bank balance!
