

About Time

Ecclesiastes 3

How do you handle time?

Age to age he
stands and
time is in his
hands.

Everything beautiful in its time.

He has set eternity
in the hearts of
men;

yet they cannot
begin to fathom
what God has done
from beginning to
end.

A close-up photograph of a star anise, showing its eight woody arms radiating from a central point. The arms are light brown and have a rough, textured surface. The background is dark, making the star stand out.

A detailed close-up photograph of cauliflower florets, showing their characteristic bumpy, rounded texture and vibrant green color. The florets are densely packed and arranged in a somewhat radial pattern, creating a complex, three-dimensional surface. The lighting highlights the individual buds and the overall structure of the vegetable.

A detailed microscopic image of raw meat, showing the intricate structure of muscle fibers and connective tissue. The muscle fibers are arranged in parallel, wavy bands, with a distinct striated pattern. The connective tissue is visible as a network of fine, fibrous strands interspersed between the muscle fibers. The overall color palette is warm, ranging from deep reds to bright oranges and yellows, highlighting the natural texture and structure of the meat.

A scanning electron micrograph (SEM) showing a cluster of instant coffee granules. The granules are irregular in shape and have a porous, sponge-like internal structure with many small, dark, circular pores. The surface of the granules is textured and appears to have some fine ridges or grooves. The overall color is a mix of light brown and tan, with some darker spots. The background is black.

Instant Coffee

A close-up photograph of saffron threads and stigmas. The threads are yellow and fibrous, while the stigmas are small, red, and pointed. The background is dark, making the saffron stand out. The word "Saffron" is written in a white, cursive font across the center of the image.

Everything beautiful in its time.

I know that there is
nothing better for
men than to be
happy and do good
while they live.

Time is in
his hands

- Toil is in his
hands
- Testing is in
his hands
