

They loved
us and
gave
themselves
for us

Galatians 2:15-21

We will remember them

- We divide people into the good and bad.
(Those like us and those not like us)
- We honour those who put the interests of others before their own.
- We live in the freedom they have won.
- We remember them to ensure they didn't die in vain.

Remember the Law

- Divided people into the good and bad.
(Jews and Gentiles)
- Died to themselves by following the law.
- Taught freedom from sin through the law.
- We remember the law so that Jesus didn't die in vain.

Remember Christ

- People are divided into the righteous and unrighteous.
(Those in Christ and those not in Christ)
- Died to the law so that he might live to God.
- Lived in the freedom Christ has won.
- We remember to live in Jesus Christ so that he didn't die in vain.

We will remember
