

Whole Life WORSHIP

**Worshipping to build up
the body of Christ**

1 Corinthians 4: 26 - 40

Whole Life WORSHIP

- Context of love (1 Cor 13) and equality (1 Cor 11)
- Multi-voiced experience – ‘When we come together, brothers and sisters, **each one of you...**’
- Order...
- ...**NOT** mind-numbing, lifeless predictability

Do we come, prepared in the Spirit, to minister when we gather as a church?

Are we willing to submit to the community, under God, to build each other up?

Am I willing for it not to be about me, but for it to be about us, and ultimately, to glorify His name?
